BETWEEN:

THE UNIVERSITY OF GUELPH
(hereinafter called the 'University')

-and-

**THE CANADIAN UNION OF PUBLIC EMPLOYEES AND
ITS LOCAL 3913 (UNIT #1)**
(hereinafter called the 'Union')

Expires the 31st day of August, 2013

Article I Scope and Purpose

1.01 The scope and purpose of this Agreement is to establish and maintain an orderly employment relationship between the University and its employees represented by the Union; to provide mechanisms for the prompt and equitable handling of employment related complaints and grievances; to promote cooperation and understanding between the University and its employees; and to jointly recognize the mutual value of continued dialogue in all matters relevant to working conditions, hours of work, wage scales and other employment related matters.

1.02 The Parties agree to the foregoing and following provisions (which include all current Appendices, Letters, and Memoranda of Understanding forming an integral part of this Agreement), which shall supersede all previous Agreements between the University and the employees represented by the Union.

1.03 Where a noun, pronoun, or adjective indicating gender or sex is used, the other gender or sex including two-spirited, intersexed, transgendered and transsexual persons shall be deemed to be included.

1.04 For the purpose of interpretation of this Agreement, the following definitions will apply:

- (a) 'Employee' means an employee of the University included in the Bargaining Unit as defined in Article II of this Agreement;
- (b) 'Human Resources File' means the human resource file held by the Human Resources Division.
- (c) 'Supervisor' means the person directly responsible for the assignment and direction of work. It is understood that there will be no more than one Supervisor per work assignment;
- (d) 'Student' means a person who is registered as a student at the University of Guelph;
- (e) Unless otherwise specified, a 'day' is a working day in the University's Human Resources Division;
- (f) 'Department' means Academic Department, School, or Interdepartmental Programme;
- (g) 'GSA-1' means graduate service assistants employed in work directly related to the academic enterprise;
- (h) 'Spouse' is a person who is married to an employee, or who cohabits with the employee in a continuing conjugal opposite or same sex relationship;

- (i) 'Guest Lecturer' is a person engaged by reason of professional status or unique qualifications to give occasional lectures or seminars, making up a part of a course. For purposes of further clarifying this definition 'occasional', shall normally not be more than three (3) lectures or seminars per course per semester. It is understood that the use of a guest lecturer(s) shall not result in any loss of pay for an employee hired to teach that particular course;
- (j) 'Academic Semester' means as defined in the Graduate Calendar and in the case of the Doctor of Veterinary Medicine (DVM) programme as defined in the Undergraduate Calendar;
- (k) Notwithstanding Article XII 'probationary employee' means an employee who has:
 - (i) not been previously employed in a Bargaining Unit position; or
 - (ii) been employed previously as a GSA-1 and who has been subsequently appointed to a Graduate Teaching Assistant position, that employee will then serve a further two-month probation period; or
 - (iii) been appointed to a Graduate Teaching Assistant position after having been employed in an Undergraduate Teaching Assistant position with substantially different duties or in a substantially different academic discipline, that employee will then serve a further two-month probation period.
- (l) 'Grievance' shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the

Agreement, and shall be processed as indicated in Article VIII.

- (m) 'Job Security Period' determines the level of consideration for the purposes of 11.06 (b) and is defined as the number of work assignments clearly offered within a time frame clearly specified in the Offer of Admission. A Job Security Period exists only when the Offer of Admission states the specific semester(s) of the guaranteed work assignment(s) or, at a minimum, the specific academic year of the guaranteed work assignment(s). Extra work assignments secured over and above those specified in the 'Offer of Admission' shall not be considered part of the guaranteed stipend and shall be paid separately, over and above any monies received as part of the stipend.
- (n) 'Invigilator' (previously known as 'floater') is defined as an employee assigned to perform solely the functions of monitoring and/or proctoring students while they write examinations. It is understood that invigilating assignments may be pro-rated at less than the established minimum .5 of a work assignment, but at no less than a minimum of one (1) hour per monitoring/proctoring session. Such minimum shall not be construed as a guarantee of employment and such minimum is not applicable when invigilation is part of a GTA or UTA work assignment.

Article V No Discrimination

5.01

(a) The University and the Union agree that there shall be no discrimination, interference, restriction, coercion, harassment or intimidation exercised or practised with respect to employees in any matter concerning the application of the provisions of this Agreement by reason of age, race, creed, colour, place of origin, ethnic origin, language, religious belief, political affiliation or activity, gender identity or expression (including transgendered and transsexual), sexual orientation, personal characteristics, marital status, family status, same-sex partner status, socio-economic status, class background, mental illness, addiction as articulated in Ontario Human Rights law, record of offences (except where it relates to a bona fide qualification because of the nature of employment), physi-

5.05 Where an employee has lodged a grievance alleging that she/he has been a victim of harassment she/he shall have the right to Union representation and shall not have to be present at any meeting with the alleged harasser. The Union representative may speak on her/his behalf at any stage of the grievance process. The employee may request of the Dean (or designate) of her/his college that her/his employment duties be modified, as the particular circumstances dictate, in order to eliminate contact with the alleged harasser during the period of investigation. Such request will not be unreasonably denied and when granted, the grievor shall not experience a loss of pay or seniority or other entitlement provided for under this Agreement.

- (d) Notwithstanding all of the provisions of Article VIII, the Party submitting the matter to arbitration may propose the selection of one (1) person as an arbitrator to whom any such grievance may be submitted for arbitration and such person shall have the same powers and be subject to the same restrictions as a Board of Arbitration appointed under this Agreement. The responding Party shall within ten (10) days thereafter respond to such a proposal.
- (e) The Board of Arbitration shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement. Article IX Discipline, Suspension and Discharge

9.01

- (a) The University shall not discipline, suspend or discharge an employee without just cause.
- (b) It is acknowledged that if a disciplinary action is challenged through the grievance procedure, the onus rests with the University to demonstrate just cause.

- (c) In the event that allegations which have initiated disciplinary proceedings against an employee are subsequently shown to be false or unsubstantiated, all written documentation related to such allegations shall be destroyed, and such false or unsubstantiated allegations shall not be relied upon in any future action.
- (d) The University and the Union agree that there shall be a lesser standard of just cause for probationary employees, and the standard shall include, but not be limited to, job capabilities (which includes familiarity with course materials), skill and work efficiency/productivity.

9.02 The University recognizes the principle of progressive discipline and shall utilize such an approach when addressing issues requiring a disciplinary response. It is acknowledged that disciplinary action with respect to employment matters may be subject to challenge through the grievance procedure.

9.03 The University shall, in the process of progressive discipline, use verbal then, if warranted, written warnings. In such cases (pursuant to 9.05 (b)), the employee shall be clearly informed that it is a verbal or written warning. The investigation of circumstances leading to a decision to take disciplinary action and the communication of such disciplinary action shall be conducted in accordance with 9.05.

9.04 A written disciplinary warning shall precede more serious disciplinary action (i.e. suspension or discharge), except in the case of gross misconduct. The written disciplinary warning shall include a

description of the improvement required and identify a reasonable time period in which to demonstrate the required sustained improvement in the area of concern.

9.05

- (a) It is understood that no disciplinary action will be taken prior to the University investigating the circumstances leading to the decision to take such disciplinary action. When such investigation requires meeting with the employee, the employee shall be entitled to be represented at such meeting by a Union Steward and/or Union designate. The employee shall be reminded, with reasonable notice, by the University, of this entitlement prior to the meeting.

- (b) When an employee is to be disciplined (i.e. verbal warning, written warning, suspension or discharge), such discipline shall be imposed at a meeting specifically convened for this purpose. The employee shall be entitled to be represented at such meeting by a Union Steward and/or Union designate. The employee shall be reminded, with reasonable notice, by the University, of this entitlement prior to the meeting. The Union's copy of any written disciplinary action shall be provided to the Union at the meeting. If, after proper notification, the employee refuses, in writing, the right to Union representation (and the Union is therefore not present at the meeting), a copy of both the letter and the written refusal shall be provided to the Union within three (3) days of such meeting.

9.06 It is agreed that disciplinary/warning letters within an employee's Human Resource file shall be removed after an eight (8) month period from date of issue, provided that no further discipline has been recorded within that eight (8) month period.

9.07 Employees have the right to review their full and complete Human Resource file no more than once (1) per academic semester and additionally once during a grievance process. The Union, with the employee's written consent, also has the right to review the employee's Human Resource file. In order to do so, employees and/or the Union shall submit their request in writing to the Employee Relations section of Human Resources. An appointment for this review shall take place within three (3) days of receipt of the request.

9.08 With respect to consideration of information for decision making, hiring decisions are made in accordance with Clause 11.03 and disciplinary decisions are made in accordance with Clause 9.01.

9.09 Only written employment related records, included in an employee's Human Resource File may be used for disciplinary purposes.

Article X Hours of Work

10.01

(a) Subject to the provisions of this Article, a full Graduate Teaching Assistantship or full GSA-1 or full Undergraduate Teaching Assistantship are positions that normally require an average of ten (10) hours per week for a total of one hundred and forty (140) hours per academic semester. It is agreed that in situations where-

by a GTA or GSA-1 or Undergraduate Teaching Assistant is employed to complete less than the equivalent of a full semester work assignment, the appropriate prorating will occur, based on either the percentage of workload (based on a full semester work assignment) or the percentage of time (based on a full semester) the employee is employed. Such pro-rated work assignments will be established as either 0.5 or 0.75, as dictated by the needs of the Department. The total hours of work of a Graduate Teaching Assistant (GTA) or GSA-1, or Undergraduate Teaching Assistant may be distributed over shorter or longer time periods. Employees shall not normally be expected to work more than seven (7) hours in any given day.

- (b) In unusual circumstances, proportionate Teaching Assistantship arrangements of less than 0.5 (half) may occur and will be paid for as per the Schedule 'B' wage rate for duties solely related to invigilating or solely related to grading/marking in a single course. Such appointments, where anticipated, will be posted, in accordance with Clause 11.01. Where this 'extra' work is unanticipated the work shall first be offered to incumbent Teaching Assistants, if applicable; if no one accepts, then the work shall be offered to applicants with applications on file; if no one accepts, then the work shall be offered to a person deemed qualified.
- (c) For a work assignment which is more than or equal to 0.75 of a full work assignment, the scheduled number of hours worked in a week shall normally not exceed twenty-eight (28), unless there is mutual agreement between

the Parties (i.e. the Department and the employee) to exceed twenty-eight (28) hours in any one week. Authorized hours worked in excess of twenty-eight (28) in any one (1) week shall be compensated at the applicable rate specified in Schedule 'B'.

- (d) For a work assignment which is less than 0.75 of a full work assignment, the scheduled number of hours worked in a week shall normally not exceed twenty (20), unless there is mutual agreement between the Parties (i.e. the Department and the employee) to exceed twenty (20) hours in any one week. Authorized hours worked in excess of twenty (20) in any one (1) week shall be compensated at the applicable rate specified in Schedule 'B'.
- (e) Applicable payments under Schedule 'B' shall be paid on the next regular pay cycle.

10.02

- (a) It is the joint responsibility of the supervisor and the employee to ensure that the total hours of work as defined in the employee's contract of employment are not exceeded on a weekly and/or semesterly basis without compensation as set out in 10.01 (c), (d) and (e). To meet this responsibility a meeting between the employee and her/his supervisor shall be held within five (5) days of the commencement of her/his employment. This meeting shall be included in the assigned hours of work. During this meeting, the supervisor shall describe the responsibilities to be completed, giving details and the scheduling of assignments and estimated hours of work, if possible, with the employee having opportunity to discuss this assignment

with the supervisor. The results of this discussion shall be outlined in an Assignment of Work Agreement (Appendix 'F') and shall be signed and dated by both the employee and supervisor. The supervisor and employee will each retain a copy of this signed and dated Assignment of Work Agreement.

- (b) All work of an employee related to the assignment shall be included in the calculation of the employee's required hours. Such work may include, but not be limited to: preparing and conducting tutorials, laboratories and seminars; grading assignments, reports and examinations; supervising field trips; class leadership; consultation/office hours; responding to student emails (which are specifically related to the employee's assigned work responsibilities), monitoring and/or moderating online discussions (which are specifically related to the employee's assigned work responsibilities); employment related orientation and training; and provision of other academic support and assistance.

10.03

- (a) An employee or Supervisor may request to meet at any time during the work assignment for the purpose of conducting a review of the employee's assigned duties, hours of work, and/or work priorities as outlined in the Assignment of Work Agreement. The purpose of this meeting is to ensure the employee's hours of work as set out continue to be appropriate, that any additional hours of work are approved by the Supervisor, and that all approved hours worked are compensated appropriately.

- (b) It is recognized that assigned work and/or priorities may change during the term of employment and adjustments to the assigned work may be required. In addition, an employee, subsequent to the above initial meeting, may have reason to believe that she/he has been given unreasonable expectations as outlined in Clause 10.02. The employee and/or the supervisor, have the right to request a meeting to resolve the issue.
- (c) Such meeting shall occur within two (2) days of receipt of a request under Clause 10.03 (a) or (b). Additional meetings between the employee and her/his supervisor shall be held as required. The employee may be accompanied by a representative of the Union if she/he wishes. Any agreement reached at such meetings shall be subject to this Collective Agreement and shall be added to the Assignment of Work Agreement and signed by the supervisor and the employee.

10.04

- (a) With the approval of the employee's supervisor, an employee may arrange to exchange her/his duties, or for her/his substitution, with or by a qualified and capable employee. Such approval by the employee's supervisor shall not be unreasonably denied.
- (b) Where unexpected but authorized excess work is carried out (i.e. greater than the teaching/service assistantship appointment for that academic semester), in excess of the full teaching/service assistantship appointment or pro-rata appointment, as the case may be, the work shall be paid at the applicable Schedule 'B' rate.

- (c) The University agrees that, subject to 11.08 and Article IX, no employee who has been offered an assistantship will have her/his number of hours reduced during that contract period.

10.05 The University agrees that all employment-related activity, orientation and training, if any, as directed by the University, and attended by the employee, shall be considered and included in the calculation of the employee's working hours.

10.06 Employees may be required to provide only their '@uoguelph.ca' email address and University provided office/Department phone number (if applicable) to students.

- (ii) subject to Clause 20.02 (a), one (1) seniority point shall accrue for each work assignment;
- (iii) one (1) seniority point shall accrue for each semester of service as a member of the CUPE 3913 Executive. The Union shall be responsible for advising the employee's Department, in writing, that a seniority point has been accrued. (For purposes of clarity, eligible Executive positions are: Chair (1 per two Units), Vice-Chair (1 per two Units), Financial Officer (1 per two Units), Communications Officer (1 per two Units), Women's Council Chair (1 per two Units), GBLTT Council Chair (1 per two Units), International T.A. representative, Undergraduate T.A. representative, Chief Steward

- (b) Resignation from a work assignment shall result in the loss of that particular seniority point only.
- (c) Failure to complete a work assignment due to illness shall not result in the loss of the seniority point for that assignment.
- (d) An accurate relative seniority list shall be maintained by Departments, and posted on an accessible bulletin board within the Department. Upon request by the Union, a copy of the seniority list shall be provided within ten (10) days. A copy of any requested seniority list shall also be provided to The Office of Faculty & Academic Staff Relations at the same time.
- (e) The University agrees that no employee who has been offered a work assignment will have her/his number of hours in that semester reduced during that semester contract period.

Article XXI Academic Freedom

21.01 Within the limits noted in this Article, the University accepts its responsibilities to employees in upholding their right to academic freedom. Academic freedom is defined as the freedom to undertake the following without fear of institutional censorship:

- (i) teach and learn
- (ii) to speculate and comment, criticize and express divergent opinions without deference to prescribed doctrine (but subject to the Human Rights Code and the University of Guelph Human Rights Policy and Procedures document), as well as the right to criticize the University at large.

21.02 In agreeing to work assignments, employees accept their responsibility for completing said work assignments with due regard for any and all Province of Ontario laws, University of Guelph policies and procedures, provisions of this Collective Agreement, and all University identified limitations in course design, content, and methods for delivery. The University shall identify those policies and procedures that are applicable to Bargaining Unit members.

21.03 Subject to Clause 21.01, when work assignments' objectives, content and delivery are fully and carefully prescribed by the University, employees shall responsibly and completely fulfill said work assignments as prescribed. In prescribing such objectives, content and delivery, the University shall also provide the training, work place facilities and support services that, after consultation with the employee, it deems both essential and necessary.

21.04 When work assignments permit employees to have a wider degree of latitude than is possible in assignments included in Clause 21.03, employees may develop and deliver said assignments once the course content and structure have been approved by the Chair(s)/Director(s) of the unit(s) concerned. Such approval shall not be unreasonably denied.

Article XXII Technological Change

22.01 No employee shall suffer a reduction of regular earnings as a result of any technological change introduced during a work assignment.

22.02 The University shall, prior to implementation, inform the Union of any significant technological changes (including for example, any plan to significantly change methods of course delivery) which when implemented will directly affect the employees of the Bargaining Unit. In such cases, the Union and employees shall be provided at least thirty (30) days notice of such change. This will be facilitated through the Labour/Management Committee. Upon receipt of such notice, the Union may request, in writing to the Director, Faculty & Academic Staff Relations, that the Labour/Management Committee convene a meeting, during the thirty (30) day period, with appropriate representatives of the University (as determined by the University) to provide the Union the opportunity to make a presentation on the issue including suggestions for minimizing any negative impact to employees directly affected by the changes.

Article XXIII Duration

23.01 The terms of this Agreement shall be in effect from September 1, 2010 to August 31, 2013, and shall continue automatically thereafter for annual periods of one (1) year each unless either Party notifies the other in writing, not less than thirty (30) calendar days and not more than ninety (90) calendar days prior to the expiration date, that it desires to amend or terminate this Agreement.

Letter of Understanding # 4 UTAs and GTAs

Article II establishes that subject to the criteria set out in 2.01 both undergraduate and graduate students can be employed under the Unit 1 Collective Agreement. The Collective Agreement also establishes different wage rates for UTAs and GTAs.

The Collective Agreement does not outline a position description for GTA work vs UTA work. Therefore the differences in UTA work assignments vs GTA assignments is not typically identifiable in posted assigned responsibilities.

The difference exists as follows:

- in the recognition of the academic and professional qualifications of a graduate student versus an undergraduate student.
- In the level and scope of assigned responsibilities
- In the recognition of a different level of independence of action. The supervisor's level of expectation may differ (e.g. GTAs expected to assist with broader and less defined scope of student questions/issues than UTAs).

The intent of the UTA appointment was, and is, to provide appropriate and mutually beneficial employment opportunities to undergraduate students.

UTA positions will not be utilized in place of or to avoid establishing GTA positions.

Letter of Understanding # 5 Student Stipend

Further to the Collective Agreement between the Canadian Union of Public Employees 3913 Unit #1 and the University of Guelph, it is agreed that should there be a negotiated increase in the full term Graduate Teaching Assistantship (GTA) wage rate and should an employee be receiving a student stipend (i.e., the financial package arranged for the student), that any negotiated increase in the GTA rate will result in an equal amount increase in the student stipend.

However, the University and the Union agree that the Union does not have any jurisdiction over the determination of a student stipend. Where a student is guaranteed a minimum stipend, the stipend shall not include more than one TAship per semester as defined by the Job Security Period.
