- (d) Where a noun, pronoun, or adjective is used in the third person to describe an individual in the first person, this is done with the intention of creating neutrality around gendered constructs and not as an affront to perceived grammar rules.

A.2 Rules of Order

All meetings of the Local will be conducted in accordance with *Bourinot's Rules of Order*. In situations not addressed by *Bourinot's Rules of Order*, the CUPE National Constitution may provide guidance. Where an interpretation or understanding is unclear the meeting chair will provide an interpretation or understanding and make a ruling.

A.2.1 Local Code of Conduct

(a) The Local's Code of Conduct:

is only enforced during events or meetings of the Local;

is not for complaints arising either from actions taken as part of this Code of Conduct or that do not relate directly to an event or meeting (see A.2.2 and/or A.2.3 for other complaint procedures);

sets out standards of behaviour for members at meetings, and all other events organized by Local 3913;

does not apply to complaints arising in the workplace as those are dealt with through the grievance procedure and/or the applicable workplace harassment policy;

does not apply to complaints arising between members that are not related to the Local;

is designed to create a safe, respectful and supportive environment within CUPE;

is meant to enhance the rights and obligations outlined in the bylaws of Local 3913, the CUPE National Constitution, the Equality Statement, and applicable human rights legislation, not replace them; and

does not replace a member's right to access the trial provisions of the CUPE National Constitution. (CNC B.11.1-5).

(b) As members of Local 3913 we commit to one another and the union to be governed by the principles of the Code of Conduct and agree to:

abide by the provisions of the Equity Statement.

abide by the provisions of the Local Confidentiality Agreement;

ensure that meetings and activities are safe environments where members are encouraged to speak;

respect the views of others, even when we disagree;

recognize and value individual differences;

ensure that we do not harass or discriminate against each other;

commit to not engaging in offensive comment or conduct;

ensure that we do not act in ways that are aggressive, bullying, or intimidating;

take responsibility for not engaging in inappropriate behaviour due to abuse of alcohol or other drugs while participating in union activities, including social events; and

disclose any conflict of interest that they may have as the member of another group, labour union, or affiliation with the Employer that may be perceived to be a conflict of interest with the objectives of the Local.

(c) A complaint regarding this Code of Conduct will be handled as follows:

If possible, a member may attempt to deal directly with the person alleged to have engaged in behaviour contrary to the Code, by asking the person to stop such behaviour. If that is not possible, or if it does not resolve the problem, a member may bring forward a complaint to the meeting chair or the event organizer.

Once a complaint is received, the meeting chair or the event organizer will ask the person to stop such behaviour.

If this fails to resolve the matter, the meeting chair or the event organizer will determine whether there is a need to remove the member from the meeting or event. The meeting chair or event organizer has the authority to expel members from a meeting or event for any behaviour that contravenes the Local Code of Conduct.

A.2.2 Harassment and Discrimination

The policy governing this complaint procedure is as follows:

- (a) Local 3913 is committed to creating and fostering a healthy, equitable, harassment-free environment for all members, volunteers, and staff. This policy applies to meetings and events of the Local as well as interactions between members and Local officers or other designates when they are acting on behalf of the Local. This policy does not apply to complaints arising in the workplace as those are dealt with through the grievance procedure and/or the applicable workplace harassment policy. It also does not apply to complaints arising between members that are not related to the Local.
- (b) While Local 3913 has an obligation under the law (as mandated by its Collective Agreement and the Labour Relations Act [1995]) to provide fair representation to all of our members who have been subject to disciplinary action and/or been unfairly treated in the workplace, the purpose of this policy is to outline and detail the process to be followed in instances where there is a complaint between members that is not work-related in- nature. Using this policy Local 3913 will endeavour to investigate and resolve complaints and establish remedies where instances of harassment occur, in a manner that is fair, unbiased, and timely.
- (c) Harassment and discrimination are understood as they are inscribed in law in both the Human Rights Code (1990) and the Occupational Health and Safety Act (1990).

The complaint procedure is as follows:

- (d) If a member has a complaint regarding another member of the Local they must contact the Local's Equity Officer as soon as possible to set up a meeting to discuss the complaint. In situations where the position of Equity Officer is vacant or the Equity Officer is the complainant or respondent, the Executive Committee will appoint a designate to hear the complaint. The role of the Equity Officer is to mediate the complaint from the position of a disinterested third party. All meetings are confidential.

The Informal Complaint Process is as follows:

- (e) The Equity Officer will meet with the complainant within one week of receiving a request to meet. They will meet in a location amenable to both parties outside the Local office. The purpose of this meeting will be to:

inform the complainant of the process;

hear the complaint in as much detail as the complainant is comfortable giving;

come to a decision as to whether this case falls under this procedure;

inform the complainant of the right to representation by the Local;

discuss the amount of detail to be put in a written complaint (if it is to be followed through); and

put the complaint in writing.

- (f) Immediately following the meeting with the complainant, the Equity Officer will contact the respondent, and request a meeting to be held within one (1) week. They will meet in a location amenable to both parties outside the Local office. The purpose of this meeting will be to inform the respondent of the process and to discuss:

the complaint in a level of detail as agreed upon beforehand by the complainant;

an appropriate response as agreed upon beforehand by the complainant;

the willingness of the respondent to meet the remedies sought by the complainant; and

any other measures the respondent or Equity Officer may deem appropriate. The role of the Equity Officer is to mediate a fair resolution amenable to both parties.

(g) Possible measures implemented in response to a complaint may include, but not be limited to:

a written and/or personal apology;

anti-harassment training;

if applicable, the respondent's resignation from a position on the Local's Executive Committee; and

revocation of the respondent's membership in the Local.

- (h) If the respondent is unwilling to commit to the remedies sought by the complainant, or is unresponsive after one () week, the Equity Officer will convene a meeting with the complainant to discuss alternate means of action including filing a formal complaint.

- (i) The Equity Officer will keep a confidential record of all proceedings. These records may be opened (assuming the complainant is agreeable) only in cases where any agreements reached and or remedies committed to at the informal stage are not upheld or are reneged on.

The Formal Complaint Process is as follows:

- (j) In the context of a formal complaint, the role of the Equity Officer will be to inform all parties of their rights and obligations.
- (k) Within one (1) week of the complainant's written request to initiate this process, the Equity Officer will form a Complaint Review Committee (CRC). The CRC will consist of three (3) members: the President or Vice-President (Internal or External), a chair from one of the Local's caucuses, and a College Steward from a college to which neither the complainant nor the respondent are affiliated. Where the respondent is one of the above potential members of the CRC an alternate will be appointed by the other two (2).
- (l) No person who is or has been privy and/or party to the complaint will sit on the CRC.
- (m) The CRC will meet with the complainant within one week of the formation of the committee. They will meet in a location amenable to both parties outside the Local office. The purpose of this meeting will be to:
 - hear the formal complaint;
 - request information regarding witnesses; and
 - put the formal complaint in writing.
- (n) The CRC will contact any witnesses to set up a meeting (no information regarding the details of the complaint will be given over the phone or via email) and gather written testimony.
- (o) The CRC will contact the respondent immediately following the meeting with the complainant, and request a meeting within one (1) week. They will meet in a location amenable to both parties outside the Local office. The purpose of this meeting will be to:
 - present the respondent with the formal complaint;

request information regarding witnesses (if applicable);

discuss the possible resolutions as described in this policy document;

request that the respondent cease contact with the complainant until a resolution is achieved; and

request a written response from the respondent.

- (p) In the case where the respondent fails to cooperate the CRC will have the authority to impose a measure or judgment (as outlined in [s]) on the basis of non-cooperation.
- (q) The CRC will contact any witnesses to set up a meeting (no information regarding the details of the complaint will be given over the phone or via email) and gather written testimony.
- (r) After both meetings have taken place and all testimony has been gathered, and within a period not exceeding two weeks, the CRC will reconvene and reach a conclusion regarding the complaint and will either refer the matter to a higher authority or implement any of the measures outlined in (s).
- (s) The measures or judgments that the CRC may impose upon the respondent may include, but are not limited to:
 - a written and/or personal apology;
 - anti-harassment training;
 - removal from a position on the Local's Executive Committee; and/or
 - revocation of the respondent's membership in the Local.
- (t) In cases where the CRC deems it necessary and where it is relevant they will refer the case to:
 - CUPE Ontario; or
 - Diversity and Human Rights (University of Guelph).
- (u) The CRC may also reach a decision of "no judgment," if they find:

a lack of evidence; or

the case to be vexatious.

A.2.3 Complaints and Trials

All charges against members or officers may be made in writing and dealt with in accordance with the Trial Procedure provisions of the CUPE National Constitution. (CNC B.11.1-5)

A.2.4 Local Confidentiality Agreement

All members of the Local agree not to disclose information about confidential or sensitive matters to anyone who is not either a member of the Local or the Local's CUPE National Representative without the written permission of the Local's Executive Committee (such confidential or sensitive information will be declared as such before it is shared). Failure to comply with the Local Confidentiality Agreement is a violation of these bylaws.

A.3 Bylaws

(a) These bylaws are always subordinate to the CUPE Constitution (including CNC Appendix B) as it now exists or may be amended from time to time, and in the event of any conflict between these bylaws and the CUPE Constitution, the latter will govern. The National President has the sole authority to interpret the CUPE Constitution. (CNC 9.2[c], 13.3, B.5.1)

(b) A copy of Local 3913's bylaws will be uploaded to the Local's website. Members requesting a physical copy of these bylaws will be provided a copy in either French or English (as requested) within a reasonable amount of time.

(c) Members requesting an accommodation of any kind in order to access or read these bylaws (in accordance with the Accessibility for Ontarians with Disabilities Act) will have that request met within a reasonable amount of time.

A.3.1 Amendments

A Local can amend or add to its bylaws only if:

(a) the amended or additional bylaws do not conflict with the CUPE Constitution;

- (b) the amended or additional bylaws are approved by majority vote at a regular membership meeting or at a special membership meeting called for that purpose;
- (c) notice of the intention to propose the amended or additional bylaws was given at least 1 week before at a previous membership meeting or 60 days before in writing (CNC 13.3, B.5.1); and
- (d) the Bylaws Committee follows the procedure outlined below when making any amendments to these bylaws:

when necessary, make recommendations to the Executive Committee about changes to the bylaws and incorporate its feedback before making recommendations to CUPE National and the membership (in that order);

then send amendment to CUPE National for approval; and

then make recommendations to the membership and allow at least 30 days for member feedback;

then, if approved by the membership, submit the revised bylaws to CUPE National for approval (the amended or additional bylaws do not come into effect until they have been approved in writing by the National President).

A.3.2 Violations

Any violation of these bylaws will be addressed in accordance with the following procedures:

- (a) If a member has a complaint with respect to a violation of the Local's bylaws they must contact the Local's President in writing detailing the nature of the complaint. In situations where the position of President is vacant or the President is a respondent in the complaint, the member will contact the Local's Equity Officer. Complaints about violations of the bylaws, while they may be brought forward by an individual member, are not matters of dispute between members.
- (b) Complainants can identify individuals, committees, and/or caucuses as respondents. If a committee is identified as a respondent it will be understood that the committee's chair is the identified respondent unless other individuals are identified.

- (c) The President will form a Complaint Review Committee (CRC) within one week of receiving the complaint about a violation to the Local's bylaws. The CRC will consist of three members-: the President or Vice-President Internal, the Elections Officer, and the Local's CUPE National Representative. Where the respondent is one of the above potential members of the CRC or there are position vacancies an alternate will be appointed by the other members of the CRC.
- (d) The CRC will contact the respondent, provide the details of the complaint, request information regarding witnesses (if applicable), and request a written response from the respondent.
- (e) The CRC will contact any witnesses (if applicable) to set up a meeting (no information regarding the details of the complaint will be given over the phone or via email) and gather written testimony.
- (f) In the case where the respondent fails to cooperate the CRC will have the authority to impose a measure or judgment (as outlined in [h]) on the basis of non-cooperation.
- (g) After all testimony has been gathered, and within a period not exceeding two weeks, the CRC will reconvene and reach a conclusion regarding the complaint and will implement any of the measures outlined in (h).
- (h) The measures or judgments that the CRC may impose upon the respondent may include, but are not limited to:
 - a written warning;
 - removal from a position on the Local's Executive Committee; and/or
 - revocation of the respondent's membership in the Local.
- (i) The CRC may also reach a decision of "no judgment", if they find:
 - a lack of evidence; or
 - the case to be vexatious.
- (j) All decisions of the CRC are reported, without information regarding the details of the complaint, to the membership at the membership meeting following their decision.

B. Governance

B.1 Structure

The Local is governed by the membership and the Executive Committee in that order.

B.2 Membership

(a) A Regular Member is any individual who is currently employed within the jurisdiction of Local 3913 as outlined in the Local's Collective Agreements with the University of Guelph or who has been within the jurisdiction of Local 3913 as outlined in the Local's Collective Agreements with the University of Guelph at any time during the past four (4) consecutive semesters. All Regular members have the right to file grievances, submit claims for benefits, attend Union meetings, and cast strike votes and ratification votes (see B.2.3 (b)) .

(b) .For the purposes of conforming to the CUPE National Constitution you are considered a Member in Good Standing if you have completed and signed a Member in Good Standing application, and that application has been authorized by a signature of a member of the Executive Committee. Members in Good Standing are defined in the same way as Regular Members in B.2. (a), and hold the same basic rights as members, in addition to the benefit of voting on all other Union matters, including elections.

(c) No Member, if they have been fined, suspended, or expelled by CUPE National or any CUPE Local may attend any Local meetings, events, or vote until they have complied with the terms of such fine, suspension, or expulsion. (CNC B.8)

(d) Any member of the Local may object to the inclusion of a member in the Local membership. An objection must be submitted in writing to the Executive Committee. The Executive Committee will report on its findings at the next General Membership Meeting (GMM). Only the membership, by majority vote, can decide whether or not to exclude the member in question from membership.

(e) Members are obligated to abide by the CUPE National Constitution and these bylaws. Members will not be required to provide their current address, home telephone contact number, or email address to the Local. This information will be provided to the Local by the University of Guelph as described in its Collective Agreements with the Local.

(f) Any member can attend a meeting of the Local's committees and/or caucuses except for the:

committees or caucuses of which they are not a constituent member;

Equity Committee;

Grievance Committee; and

either Labour/Management Committee.

If Local Members wish to become voting members of a Local committee or caucus, apart from the exceptions listed and the Executive Committee, they must contact the committee or caucus chair in order to be added to the membership list of that committee or caucus (this is usually done in advance of the committee or caucus meeting). If advance notice is not possible, membership to a committee or caucus can also be authorized at a meeting of the committee or caucus with the approval of at least a 2/3 majority of votes of its members.

(g) Regular Members who are not Members in Good Standing will be entitled to voice but not vote at meetings of the Local's committees and caucuses.

B.2.1 Membership Meetings

(a) Notice of any membership meeting must include the date, time, and location of the meeting and will be sent to members by email at least one (1) month in advance.

(b) The meeting agenda will be sent to members by email at least one (1) week in advance of the meeting, except in the case of a strike vote (see B.2.2).

(c) Every Regular member (see B.2. (a)) in attendance at a meeting is entitled to speak on any issue that arises. Only Members in Good Standing (see B.2 (b)) are entitled to vote on said issue. Except where otherwise provided for in these bylaws, voting will be by show of hands, or, if online, via a poll, and a majority of votes cast will be sufficient to determine a decision.

(d) Membership will be verified prior to the meeting by consulting the membership list and verifying the Member in Good standing status, or by photo identification, which can include student identification cards or government issued identification.

(e) Meetings will be closed to all but members of the Local, its Executive Committee, and the Local's CUPE National Representative. Members in attendance may vote to admit an individual non-member by a 2/3 majority of votes cast. Only members in good standing may vote on non-contractual Union matters.

(f) Members who wish to bring forward a motion at a membership meeting must submit the motion to the meeting chair (Local's President) two (2) weeks prior to the meeting.

(g) Alcohol will not be served or permitted at any membership meeting.

- (h) The agenda for any membership meeting will be approved by the Executive Committee.
- (i) Quorum for any membership meeting is no fewer than 20 members, or five (5) percent (5%) of the membership at the time the membership meeting occurs, whichever is less.
- (j) Members of the Local, at a membership meeting and by following the Rules of Order (see section A.2) in the form of a proper motion, may overturn, change, or modify any decisions made by the Executive Committee.
- (k) General (Fall) Membership Meetings

A General Membership Meeting (GMM) of Local 3913 will be called by the Executive Committee at least once in each of the Fall (Fall Membership Meeting or FMM) and Winter (Winter Membership Meeting or WMM) semesters.

Members of the Executive Committee who chair committees will provide reports about those committees' activities since the last GMM (see section B.3 for more information about the duties of elected officers).

- (l) Annual (Spring) Membership Meetings

The Executive Committee will call an Annual Membership Meeting (AMM) to be held within forty-five (45) days of the end of the fiscal year for the purpose of reporting to the membership on the financial and other business transacted during the previous year and to present a budget for the coming fiscal year. Election results will be announced at the AMM and via email, social media, or via Newsletter in circumstances in which the AMM cannot be held.

- (m) Special Membership Meetings

A Special Membership Meeting (SMM) may be called by a vote of the Executive Committee or by a petition. A petition must be signed by at least 20% of the Local's membership, 2/3 of a constituent group, or 50% of a bargaining unit and must contain the name, department of work, home telephone number, and signature of each signatory. In addition, the petition must also include a statement of the purpose for which the members are petitioning and what business they propose to conduct as a result of the petition. On presentation of a petition, the Executive Committee is required to call a meeting within one month.

SMMs are to be treated as if they were regularly scheduled general membership meetings. The Executive Committee may add other business to the agenda, but in the case of meetings called by petition the subject of the petition must be the first item of business.

- (n) A meeting of members in a bargaining unit may be called to deal with matters that affect only members of that bargaining unit. Such meetings are not to be used to replace regular membership meetings and will not make decisions that affect the Local as a whole or another bargaining unit.
- (o) The Vice-President Internal will be present at all membership meetings, will take the official minutes, and will submit minutes from past meetings for approval by motion at subsequent membership meetings.

B.2.2 Strike

(a) Any strike mandate vote must be approved by the majority vote of both Regular and Members in Good Standing (collectively known as bargaining unit members). After an affirmative vote by bargaining unit members, the Executive Committee must arrange a vote of all the members of the unit by secret ballot. All members must be informed at least one (1) week before the vote. Voting shall take place within a week following a special meeting. The question on the ballot will be the following:

"As a union member, I authorize the Negotiating Committee to call a legal strike in the event that all possible formal avenues fail to produce a fair settlement."

- (b) A simple majority (50% + 1) affirmative vote of ballots cast in the referendum is required before any strike action can be authorized.
- (c) Payment of strike benefits will be as per CUPE's National Defense Fund Regulations.
- (d) Where the Local commences strike action, the expenditures necessary to conduct the strike will be made from the Strike Fund (G.3.1).

B.2.3 Ratification

(a) When the Negotiating Committee has reached a tentative settlement agreement with the employer it will be distributed to the members of the Local's bargaining units (electronically and through the Local's website).

- (b) The Local will hold a ratification vote, online or in-person, to determine whether the tentative settlement agreement will form new collective agreements. There will be a meeting held so that bargaining unit members can ask questions about the tentative settlement agreement and so that it can be formally presented to the bargaining unit members before an online vote is held.
- (c) The timelines that are usually prescribed for voting and outlined in F.3 of these bylaws will be expedited when they relate to tentative settlement agreements and ratification votes. It is understood that matters of contract negotiations may be more urgent in nature and that bargaining unit members may be given less notice for a meeting or vote under these circumstances. The scheduling of these meetings will be at the discretion of and announced by the Executive Committee in consultation with the Negotiating Committee.
- (d) A ratification vote must be held before a new collective agreement can take effect, be signed, distributed, or sent to CUPE National. The vote must be held in accordance with the regulations established by the Labour Relations Act (1995).
- (e) No agreement with the employer about the final terms of contract negotiations can be arrived at without the ratification of a tentative settlement agreement by the Local's membership.

B.2.4 Referendum

- (a) All referendum voting will preserve the anonymity of voters.
- (b) All referenda will be presided over by the Elections Officer. The Elections Officer may seek the assistance of the CUPE National Representative.
- (c) All questions for referendums will be posed so that answers can only be either "Yes" or "No". If necessary, questions will be reworded by the Elections Officer to meet this requirement.
- (d) A notice of referendum will be provided at least sixty (60) days in advance of the referendum voting period (which will be detailed in the notice) and can be put forward by motion at a membership meeting, petition, or by a 2/3 vote of the Executive Committee.
- (e) All materials pertinent to the referendum question must be submitted along with the original referendum question (sixty (60) days in advance of the voting period).
- (f) The referenda will be decided by a simple majority vote (50% + 1) of members.

(g) The results of the referenda will be announced on the Local's website.

B.2.5 Delegation

(a) All delegates to conventions and conferences will be chosen by election at either membership meetings or appointed at Executive Committee meetings (whichever is more practical and closer to the time at which registration forms are due).

(b) All delegates to conventions and conferences must submit a written report no less than thirty (30) days after the last day of their delegation. The report must be submitted to the chair of the Executive Committee by email.

B.3 Executive Committee

The Executive Committee includes all officers, except Trustees and the Elections Officer. The Officers are as follows: President, Vice President Internal, Vice President External, Unit Stewards (1 and 2), Finance Officer, Grievance Officer, Health and Safety Officer, Equity Officer, Past Executive Officer, and Member Representatives (4). (CNC B.2.2).

All members of the Executive Committee, with the exception of the Past Executive Officer, must be a member of the Local. The members of the Executive Committee of Local 3913 are the following (note the relevant related position in brackets where applicable as outlined in CNC B.2.1 and B.2.2): All members of the Executive Committee, with the exception of the Past Executive Officer, shall serve at least a two (2) year term of service.

G.3 Funds

The Local will have a Strike Fund and a Legal Fund.

G.3.1 Strike Fund

(a) A Strike Fund composed of an amount generated from a set percentage of members' salaries, and deducted from the dues of the Local, will be kept, in non-equity investments, in a separate account at a credit union or other chartered, government insured financial institution.

(b) The percentages of members' salaries which are deducted for deposit in the Strike Fund will be:

When the balance in the Strike Fund is less than \$50,000, 0.3% of members' salaries will be deposited from each dues payment.

When the balance in the Strike Fund is between \$50,000 and \$150,000, 0.2% of members' salaries will be deposited from each dues payment.

When the balance in the Strike Fund is between \$150,000 and \$250,000, 0.125% of members' salaries will be deposited from each dues payment.

When the balance in the Strike Fund reaches \$250,000, deposits from each dues payment will stop.

When the balance in the Strike Fund subsequently falls below \$250,000, the Local will resume depositing monies in the fund.

For the purpose of calculating the amount to be deposited in the Strike Fund, the balance in the Strike Fund will be understood to mean the total of all cash, assets, and investments in the Strike Fund on the day the Local dues payment is received.

(c) Interest generated from the Strike Fund will remain in the fund.

(d) The Finance Committee will be responsible for monitoring the Strike Fund, and will have the authority to move the fund between institutions or accounts where the Executive Committee deems such change to be warranted or prudent. Any such change will be ratified by the membership at the next general meeting.

(e) Expenditures from the Strike Fund will be in accordance with the Local's strike policy (B.2.2).

- (f) Beginning on the date of termination of a Collective Agreement, the Executive Committee, in consultation with the Negotiating Committee, will be authorized to spend up to \$20,000 from the Strike Fund to prepare for a possible strike.
- (g) In addition to the amount authorized in (f), where so approved at a membership meeting, and not more than once in any fiscal year, the Executive Committee may spend up to \$25,000 from the Strike Fund for special projects or campaigns related to negotiating support in preparation for a possible strike.
- (h) In addition to any amounts authorized in (f) and (g) and in the event that the Local's Legal Fund is exhausted the Executive Committee may authorize the payment of all expenses relating to grievances and arbitrations to an amount not to exceed the interest on the Strike Fund in the previous fiscal year.

G.3.2 Legal Fund

(a) A Legal Fund composed of an amount generated from a set percentage of members' salaries, and deducted from the dues of the Local, will be kept, in non-equity investments, in a separate account at a credit union or other chartered, government insured financial institution.

(b) The percentages of members' salaries which are deducted for deposit in the Legal Fund will be:

When the balance in the Legal Fund is less than \$10,000, 0.3% of members' salaries will be deposited from each dues payment.

When the balance in the Legal Fund is between \$25,000 and \$75,000, 0.2% of members' salaries will be deposited from each dues payment.

When the balance in the Legal Fund is between \$75,000 and \$125,000, 0.125% of members' salaries will be deposited from each dues payment.

When the balance in the Legal Fund reaches \$125,000, deposits from each dues payment will stop.

When the balance in the Legal Fund subsequently falls below \$125,000, the Local will resume depositing monies in the fund.

For the purpose of calculating the amount to be deposited in the Legal Fund, the balance in the Legal Fund will be understood to mean the total of all cash, assets, and investments in the Legal Fund on the day the Local dues payment is received.

- (c) Interest generated from the Legal Fund will remain in the fund.
- (d) The Finance Committee will be responsible for monitoring the Legal Fund, and will have the authority to move the fund between institutions or accounts where the Executive Committee deems such change to be warranted or prudent. Any such change will be ratified by the membership at the next general meeting.

G.4 Expenditures

(a) Funds can only be spent for valid purposes of the Local under the following circumstances:

In the case of a grant, donation, or a contribution to a member(s) or a cause(s) outside of CUPE greater than \$100, three (3) scenarios are possible:

- (b) A motion will be made at a regular membership meeting; or
- (c) A committee, through its chair, may use the funds set aside in its budget to make a grant, contribution, or donation of up to 1/4 of the total amount of its budget; and/or
- (d) A committee, through its chair, may place a motion before the Executive Committee to use money from a non-committee budget category to make a donation to either add to the amount being contributed by that committee or to make a standalone grant, donation, or contribution.

In keeping with the commitments of the Local as outlined in the Preamble to these bylaws grants, donations, or contributions of money to individuals and groups must be based on the following guidelines:

- (e) Solicitations from the organizations and individuals representing labour and social justice will be considered.
- (f) Organizations and individuals representing labour will only be considered if they are making requests for strike support or solidarity. Appeals from striking union locals will be placed on the agenda of the first available membership meeting for consideration.

- (h) Causes which are substantially local in nature will have the highest priority.
- (i) Normally only one (1) donation per year will be made to any organization or individual.

- (j) Only appeals for donations in aid of a cause or activity of a secular nature will be considered.
- (k) Financial contributions will not be made directly to any political party or candidate.
- (l) Appeals from other CUPE Locals for funds to assist an individual member (usually coming through the Personal Appeals process via CUPE Ontario) will not be subject to a motion at a membership meeting and will be handled directly at meetings of the Executive Committee and presented at those meetings by the Finance Committee.
- (m) Appeals need not be presented in person but may be presented by proxy or other media, provided the appeal is placed on the agenda of the meeting (see section B for more information about the guidelines for submitting agenda items).
- (n) Donations will not exceed the amounts allotted for them in the budget of the Local without the notification and consent of the membership.
