MEMBERS IN GOOD STANDING

We would like to encourage all those who have not become a Member in Good Standing (MGS) yet to consider doing so! Having many MGS demonstrates to the University that we are a strong Union, allowing us to push for initiatives that can improve the working and living conditions for TAs and Sessionals (e.g., higher wages, job security, fair work conditions). If you're not an MGS yet, sign up now by filling out the online form [here](#) or scanning the QR code on the left.

ENDING THE ACADEMIC YEAR

Please be sure to file your emergency financial assistance fund (EFAF) claims and benefits by August 31, 2023 for this academic year. Unit 1 members may apply for the EFAF fund once per academic year (September 2022-August 2023).

THE BARGAINING PROCESS

On August 31, our current Collective Agreements will expire. That's why on May 1st, we served the University with a "notice to bargain," which begins the formal bargaining process for Unit 1 (TAs) and 2 (Sessional Lecturers). The notice is legally required to inform the University that we are ready to begin bargaining new Collective Agreements and would like to find dates for negotiations. We expect this work to begin in September. In the meantime, our current collective agreements will remain in effect.

WHAT WE'VE BEEN DOING TO PREPARE

Your bargaining committee has been hard at work for many months:

- We have been reviewing the responses to the members' bargaining survey we disseminated several months ago so we know exactly what your priorities are.
- We have been reviewing other Collective Agreements in the sector to identify additional items for negotiating.
- We have gone over Unit 1 and 2's current Collective Agreements, looking for improvements
- We have looked over issues and grievances from the life of the current Collective Agreements to help guide proposals.
- We are meeting regularly to develop bargaining points

CUPE 3913 STATEMENT ON THE HATE-MOTIVATED CRIME AT UNIVERSITY OF WATERLOO

CUPE 3913 thoroughly condemns the hate-motivated, gender-based act of violence which occurred at the University of Waterloo on Wednesday, June 28th, 2023. We stand with our colleagues, friends, and fellow workers at the University of Waterloo, holding the survivors and their families in our thoughts.

We acknowledge the depth of this event's impact, including the trauma, anxiety, and pain rippling across the academic and 2SLGBTQIA+ communities. Such an act of violence is thoroughly distressing and disturbing, certainly impacting workers and students here at the University of Guelph. Though this is a difficult time for all, we would like to emphasize our solidarity with those who are marginalized on the basis of gender. In the face of this attack, during a time when transphobic, homophobic, and misogynistic legislation is being enacted globally, we know it is imperative that we strongly support our 2SLGBTQIA+ membership. We will do all we can to advocate for your rights and your safety within the workplace.

If you have any questions, concerns, comments, or suggestions regarding how we may better support and serve the interests of 2SLGBTQIA+ membership, please contact queercaucus@cupe3913.on.ca.

EXPERIENCING DIFFICULTIES IN YOUR ROLE AS A WORKER? WE CAN HELP

Our Labor relations Coordinator is here to advise you

Reach out to Jeffrey Cornelissen
labourrelations@cupe3913.on.ca to discuss the
issue and get insights into possible solutions.

Some things to know about resolving work issues

The earlier you contact us, the better

If an issue has arisen, contact us as soon as possible with the pertinent details so that we can offer you guidance on how to proceed.

You are in charge of all decisions

There are many ways a work issue can be resolved; we can lay out your options so that you can make an informed decision that works best for you. However, only *you* will decide what will happen.

EXPERIENCING DIFFICULTIES IN YOUR ROLE AS A WORKER? WE CAN HELP

One option is an informal resolution

The Union can bring the issue to the Office of Faculty and Academic Staff Relations (FASR) in the hopes that it will be addressed appropriately. We will discuss with you how we will present the problem to FASR to ensure your comfort. Note that we are able to settle the vast majority of issues through this route.

Another option is to file a grievance

If the matter is more serious or is not resolved appropriately through the informal route, we can file a formal grievance (though only if this is a route that you choose).

What is a grievance?

A grievance is a complaint put forth by the Union articulating that the employer has acted (or failed to act) in a way that violates the Collective Agreement. A grievance by the Union on behalf of the member.

Find more information about grievances and the grievance process on our website [here](#).

HAVING MONEY PROBLEMS?

Apply for the Emergency Financial Assistance Fund (EFAF)

Unit 1 members (TAs) experiencing financial hardships may apply for up to \$500 in financial assistance per academic year. To be eligible, you must have had a work assignment within the past year
