

**WHAT'S
YOUR
NUMBER?**

WHAT'S YOUR NUMBER?

We already know that between wages and stipends, most grad students still can't afford the basics.

Add up your tuition, rent, groceries, internet, cell phone, transportation, medications, mental/health care, and entertainment costs, and it's likely that you are racking up debt every semester

WHAT'S YOUR NUMBER?

**What is the gap between
your stipend and TA pay
and your baseline living
costs?**

**CUPE3913 thinks the
university should know!**

COST OF LIVING PER SEMESTER

Semester stipend =

TA pay =

SUBTRACT

Rent =

Car payments =

Groceries =

Phone =
