RATIFICATION VOTE RESULTS

We are excited to announce that there was a **97.7% YES vote** for the tentative collective agreement between the membership and the university!

We officially have a new collective agreement!

We would like to thank the membership for taking the time to vote. During this round of bargaining, we again want to stress how valuable the involvement of the members were during the whole bargaining process.

RATIFICATION VOTE RESULTS

Although there are still much work to be done, CUPE3913 aims to continue to support our members. This round of bargaining really showed the strength in our membership when we all work together.

Please stay tuned into your email about details about the new collective agreement and any updates throughout the summertime.

Warmly,

CUPE3913
