Article 1 Scope and Purpose

- 1.01 The scope and purpose of this Agreement is to establish and maintain an orderly employment relationship between the University and its employees represented by the Union; to provide mechanisms for the prompt and equitable handling of employment related complaints and grievances; to promote cooperation and understanding between the University and its employees; and to jointly recognize the mutual value of continued dialogue in all matters relevant to working conditions, hours of work, wage scales and other employment related matters, including mental and physical health and safety.
- 1.02 The Parties agree to the foregoing and following provisions (which include all current Appendices, Letters, and Memoranda of Understanding forming an integral part of this Agreement), which shall supersede all previous Agreements between the University and the employees represented by the Union.
- 1.03 The pronouns “they” and “them” are used in the singular or the plural with the intention of creating neutrality around gendered constructs.
- 1.04 For the purpose of interpretation of this Agreement, the following definitions will apply:

- (d) 'Department' means Academic Department, School, or Interdepartmental Program at the University of Guelph and Program at the University of Guelph-Humber;
- (e) Modes of course delivery are outlined in Appendix E. When more than one offering of the same course occurs during a semester, each offering shall be referred to as a section and each section will identify the mode of delivery;
- (f) An 'employee' means an employee of the University included in the Bargaining Unit as defined in Article 2 of this Agreement;
- (g) 'FASR' means Faculty and Academic Staff Relations;
- (h) 'Grievance' shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Agreement, and shall be processed as indicated in Article 8;

Additionally, it is agreed that a policy grievance shall not be initiated where an individual employee could initiate an individual grievance.
- (c) The Dean (or designate) and Assistant Vice-President, FASR (or designate) shall convene a meeting within ten (10) days with the employee, and a Union Designate. With reasonable notice to the other Party prior to the meeting, either Party may have others attend who have information relevant to the specific grievance.
- (d) The Assistant Vice-President, FASR (or designate) shall reply, in writing, within fifteen (15) days of that meeting.
- (e) Failing settlement of the grievance, the Union, within fifteen (15) days of such decision, has the right to demand in writing that the matter be taken to arbitration in accordance with the procedure set out hereunder.

8.04 Group Grievance

- (a) A group grievance is defined as an alleged violation of this Agreement concerning two (2) or more employees.
- (b) Such group grievances shall be submitted in writing, signed by a Union Designate, and submitted to the Assistant Vice-President, FASR (or designate) within thirty (30) days after the occurrence of the matter that is the subject of the grievance.
- (c) A meeting to resolve the grievance shall be held within ten (10) days after the receipt of the written grievance and the Assistant Vice-

President, FASR (or designate) shall provide a written response within twenty (20) days after receipt of the grievance.

- (d) If the group grievance is not resolved, the Union may notify the University, in writing, within twenty (20) days that it intends to proceed to arbitration pursuant to this Agreement.

8.05 Policy Grievance

- (a) A policy grievance is distinguished from an individual employee's grievance or group grievance and is defined as a difference arising between the University and the Union as to the interpretation, application or alleged violation of a specified provision or provisions of this Agreement.
- (b) Such policy grievances shall be submitted in writing, signed by a Union Designate, or the Assistant Vice-President, FASR (or designate), as the case may be, and submitted to the Assistant Vice-President, FASR (or designate) or Union Designate, as the case may be, within thirty (30) days after the occurrence of the matter that is the subject of the grievance.
- (c) A meeting to resolve the grievance shall be held within ten (10) days after the receipt of the written grievance and the responding Party shall provide a written response within twenty (20) days after receipt of the grievance.
- (d) If the policy grievance is not resolved, the initiating Party may notify the other Party, in writing, within twenty (20) days that it intends to proceed to arbitration pursuant to this Agreement.

8.06 Arbitration

- (a) If the University or the Union request that a matter be submitted to arbitration, it shall make such request in writing addressed to the other Party and at the same time state its nominee or request that the matter be heard by a sole arbitrator and provide a list of no less than three (3) potential arbitrators.
- (b) Within ten (10) days thereafter, the responding Party shall name a nominee, provided however, that if the Party fails to name a nominee the appointment shall be made by the Minister of Labour upon the request of either Party. The two (2) nominees shall attempt to select, by agreement, a Chair of the Board of Arbitration. If they are unable to agree upon a Chair within a period of ten (10) days, either may then request the Minister of Labour to appoint an impartial Chair.
- (c) If the responding Party accepts that the matter will be heard by a sole arbitrator, the responding Party shall provide its own list of no less than three (3) potential arbitrators. The Parties shall, within ten (10) days of the exchange of lists, jointly agree on a sole arbitrator. If they are unable to agree upon an arbitrator within a period of ten (10) days, either may then request the Minister of Labour to appoint an arbitrator to hear the grievance.
- (d) Within ten (10) days of agreeing to a single arbitrator or a Board of Arbitration, a hearing will be scheduled. If the parties are unable to schedule a hearing within six (6) months, either party may require, in writing, that a new arbitrator or Board of Arbitration be selected. The process for doing so shall be the same as for other arbitrator/Board of Arbitration appointments.

- (e) No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance. In the case of changes to the Labour Relations Act, the Parties agree to meet in order to discuss the effect of such changes on this Collective Agreement.
- (f) A sole arbitrator shall have the same powers and be subject to the same restrictions as a Board of Arbitration appointed under this Agreement. The responding Party shall within ten (10) days thereafter respond to such a proposal.
- (g) The Board of Arbitration or sole arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to or amend any part of this Agreement. The jurisdiction of the Board of Arbitration or sole arbitrator shall be confined to the issue in dispute. The decision of the Board of Arbitration or sole arbitrator shall be final and binding upon the Parties. The decision shall be unanimous or one reached by a majority of the members of the Board, provided, however, that if there is no majority decision of the Board, then the decision of the Chair shall constitute the final binding decision of the Board.
- (h) In the event that a Board of Arbitration or sole arbitrator deals with a matter relating to discharge, suspension or disciplinary action, then the Board or arbitrator has the authority to reinstate an employee with or without compensation for wages and any other benefits lost, or to make any other award it may deem just and reasonable which would be consistent with the terms of this Agreement.
- (i) Each of the Parties will bear fifty (50) percent of any expense of the sole arbitrator or the expenses of their nominee and the Parties will jointly bear the expense, if any, of the Chair of the Board of Arbitration.

- (j) The Party demanding arbitration shall be responsible for informing any third Party likely to be adversely affected:
 - (1) of the time and place of the sitting of the Board of Arbitration or sole arbitrator;
 - (2) of the matter to be placed before the Board or arbitrator; and
 - (3) of the right of that third Party to be present and represented.

Article 9 Discipline, Suspension and Discharge

9.01

- (a) The University shall not discipline, suspend or discharge an employee without just cause.
- (b) It is acknowledged that if a disciplinary action is challenged through the grievance procedure, the onus rests with the University to demonstrate just cause.
- (c) In the event that allegations which have initiated disciplinary proceedings against an employee are subsequently shown to be false or unsubstantiated, all written documentation related to such allegations shall be destroyed and such false or unsubstantiated allegations shall not be relied upon in any future action.
- (d) The timelines indicated in this article may be extended by mutual agreement of the University and the Union.

- 9.02 The University recognizes the principle of progressive discipline and shall utilize such an approach when addressing issues requiring a disciplinary response. It is acknowledged that disciplinary action with respect to employment matters may be subject to challenge through the grievance procedure.
- 9.03 The University shall, in the process of progressive discipline, use verbal then, if warranted, written warnings. In such cases (pursuant to 9.06), the employee shall be clearly informed that it is a verbal or written warning. The investigation of circumstances leading to a decision to take disciplinary action and the communication of such disciplinary action shall be conducted in accordance with 9.05.
- 9.04 A written disciplinary warning shall precede more serious disciplinary action (i.e., suspension or discharge), except in the case of gross misconduct. The written disciplinary warning shall include a description of the improvement required and identify a reasonable time period in which to demonstrate the required sustained improvement in the area of concern.
- 9.05
- (a) It is understood that no disciplinary action will be taken prior to the University investigating the circumstances leading to the decision to take such disciplinary action.
 - (b) The investigation, in and of itself, is not considered to constitute discipline.
 - (c) All investigations will be conducted as expeditiously as possible.
 - (d) The University may withhold information from an employee, decide not to notify the employee, or delay notifying the employee if there

are grounds to believe there is a risk of significant harm to another person or to University property or that the investigation may otherwise be jeopardized. In these situations, the Union will be notified in confidence of the circumstances and substance of the allegations.

- (e) As soon as is practicable after an allegation has been made, the University shall inform the employee of the nature of the allegation that has been made and their right to seek assistance from the Union at all meetings involved in the investigation and disciplinary process.
- (f) Within 10 days of informing the employee of the allegation, the University will initiate an investigation. When such investigation requires meeting with the employee, the employee shall be entitled to be represented at such meeting by a Union Designate. The employee shall be reminded, with reasonable notice, by the University of this entitlement prior to the meeting.
- (g) The University shall notify the employee of the tentative results of the investigation within ten (10) days of the results being known. Such notification shall inform the employee that discipline will not be imposed and that the investigation is closed, or that the University believes discipline is warranted.
 - (1) The University may invite the employee to attend a meeting before the investigation is closed, and before any discipline is imposed, to allow the employee to respond and the employee will be reminded of their right to be represented by a Union representative.
 - (2) The employee may respond in person or through a Union representative. Should the employee fail to respond to the

invitation within five (5) days or fail to attend a meeting on the matter without reasonable excuse, the University may proceed with discipline.

- (h) The University, the Union, and Members shall maintain the confidentiality of the fact and substance of procedures under this article including the investigative process, its findings, and its outcome. Information will only be disclosed to those with a demonstrable need to know. Those in receipt of information pertaining to the procedures under this article are bound to hold such information in confidence. The University may disclose information where it has grounds to believe that confidentiality may put a person at risk of significant harm or if the University is legally required to disclose.
- (i) In a case of alleged harassment or human rights violations, the process can be interrupted if the complainant and the respondent agree to mediation. The process will continue if mediation fails.

9.06 When an employee is to be disciplined (i.e., verbal warning, written warning, suspension or discharge), such discipline shall be imposed at a meeting specifically convened for this purpose. The employee shall be entitled to be represented at such meeting by a Union Designate. The employee shall be reminded, with reasonable notice, by the University, of this entitlement prior to the meeting. The Union's copy of any written disciplinary action shall be provided to the Union at the meeting. If, after proper notification, the employee refuses, in writing, the right to Union representation (and the Union is therefore not present at the meeting), a copy of both the letter and the written refusal shall be provided to the Union prior to such meeting (where possible based on the timing of notification by the employee).

- 9.07 Provided that there has been no subsequent disciplinary action taken against the employee, all documents relating to a disciplinary action shall be removed from an employee's Human Resources file:
- (i) twelve (12) months from the date the disciplinary action was recorded in the file; or
 - (ii) where the employee has taught the equivalent of at least a half (0.5) work assignment, whichever occurs first.
- 9.08 Employees have the right to review their full and complete Human Resources File no more than once (1) per semester and additionally once during a grievance process. The Union, with the employee's written consent, also has the right to review the employee's Human Resources File. In order to do so, employees and/or the Union shall submit their request in writing to FASR. An appointment for this review shall take place within three (3) days of receipt of the request.
- 9.09 With respect to consideration of information for decision making, hiring decisions are made in accordance with Article 11 and disciplinary decisions are made in accordance with Article 9.
- 9.10 Disciplinary records shall be kept in a sealed envelope in the Human Resources File and may only be considered when relevant to an employment-related decision

Article 10 Hours of Work

10.01

- (a) Subject to the provisions of this Article, a full (1.0) GTA, full (1.0) GSA-1 or full (1.0) UTA work assignment are positions that normally

require an average of ten (10) hours per week for a total of one hundred and forty (140) hours per semester.

- (b) It is agreed that in situations whereby a TA or GSA-1 is employed to complete less than the equivalent of a full semester work assignment, the appropriate prorating will occur as dictated by the needs of the Department. The work assignment may be prorated based on a full semester work assignment measured either as the percentage of workload (compared to a full semester work assignment) or the percentage of time the employee is employed (compared to a full semester work assignment). Such pro-rated work assignments shall be rounded up to 0.5 if it is less than 50% of a full assignment or 0.75 if it is between 50% and 74%. The total hours of work of a TA or GSA-1 may be distributed over shorter or longer time periods. Employees shall not normally be expected to work more than seven (7) hours in any given day.
- (c) Teaching Assistant work assignment arrangements of less than 0.5 but no less than 0.25 may occur and will be paid for as per the Schedule B wage rate for duties solely related to invigilating or solely related to grading/marking in no more than 2 courses. Such appointments, where anticipated, will be posted, in accordance with 11.01. Levels of consideration as described in 11.04(d) will be used for hiring purposes.
- (d) For a work assignment which is more than or equal to 0.75 of a full work assignment, or where an employee holds more than one work assignment in the same academic unit which totals more than or equal to 0.75 of a full work assignment, the scheduled number of hours worked in a week shall normally not exceed twenty-eight (28), unless there is mutual agreement between the Parties (i.e., the Department and the employee) to exceed twenty-eight (28) hours in any one week. Authorized hours worked in excess of twenty-eight

(28) in any one (1) week shall be compensated at the applicable rate specified in Schedule B.

- (e) For a work assignment which is less than 0.75 of a full work assignment, the scheduled number of hours worked in a week shall normally not exceed twenty (20) unless there is mutual agreement between the Parties (i.e., the Department and the employee) to exceed twenty (20) hours in any one week. Authorized hours worked in excess of twenty (20) in any one (1) week shall be compensated at the applicable rate specified in Schedule B.
- (f) Applicable payments under Schedule B shall be paid on the next regular pay cycle.
- (g) In new offers beginning 30 days after ratification, there will be an annual maximum of the equivalent of 2.0 work assignments which form the Job Security Period, except in the College of Arts which will have an annual maximum of the equivalent of 3.0 work assignments. In the College of Arts, students who wish to decline their summer guaranteed work assignment will be offered a scholarship (half the value of a GTA) instead and will not be eligible to apply for a position at the University during that same semester.

10.02

- (a) It is the joint responsibility of the supervisor and the employee to ensure that the total hours of work, as defined in the employee's contract of employment, are not exceeded on a weekly and/or semesterly basis without compensation as set out in 10.01 (c), (d) and (e). To meet this responsibility a meeting between the employee and their supervisor shall be held within five (5) days of the commencement of their employment. This meeting shall be included in the assigned hours of work. During this meeting, the supervisor

shall describe the responsibilities to be completed, giving details and the scheduling of assignments, dates by which grading is to be completed, and estimated hours of work, if possible, with the employee having the opportunity to discuss this assignment with the supervisor. The results of this discussion shall be outlined in an Assignment of Work Agreement (Appendix C) and shall be signed and dated by both the employee and supervisor. The supervisor and employee will each retain a copy of this signed and dated Assignment of Work Agreement.

- (b) All work of an employee related to the assignment shall be included in the calculation of the employee's required hours. Such work may include, but not be limited to: preparing and conducting tutorials, laboratories and seminars; grading assignments, reports and examinations; supervising field trips; class leadership; consultation/office hours; responding to student emails (which are specifically related to the employee's assigned work responsibilities), monitoring and/or moderating online discussions (which are specifically related to the employee's assigned work responsibilities); employment related orientation and training; and provision of other academic support and assistance.

10.03

- (a) An employee or supervisor may request to meet at any time during the work assignment for the purpose of conducting a review of the employee's assigned duties, hours of work, and/or work priorities as outlined in the Assignment of Work Agreement. The purpose of this meeting is to ensure the employee's hours of work as set out continue to be appropriate, that any additional hours of work are approved by the supervisor, and that all approved hours worked are compensated in accordance with this Agreement.

- (b) It is recognized that assigned work and/or priorities may change during the term of employment and adjustments to the assigned work may be required. In addition, an employee, subsequent to the above initial meeting, may have reason to believe that they have been given unreasonable expectations as outlined in 10.02. The employee and/or the supervisor, have the right to request a meeting to resolve the issue.
- (c) Such meeting shall occur within two (2) days of receipt of a request under 10.03 (a) or (b). Additional meetings between the employee and their supervisor shall be held as required. The employee may be accompanied by a Union Designate if they wish. Any agreement reached at such meetings shall be consistent with the Collective Agreement and shall be added to the Assignment of Work Agreement and signed by the supervisor and the employee.

10.04 It is understood that employees are not expected to be always available. There will be realistic requirements of availability, including via email, and timing of work (both hours when employee availability is required and parameters for work that can be done flexibly over a particular period of time) that can be discussed between the employee and the supervisor and included in the Assignment of Work Agreement.

10.05 Employees will be required to use their University of Guelph or University of Guelph-Humber email address in the carrying out of their responsibilities assigned as part of a work assignment. Employees may be required to provide students with their University of Guelph or University of Guelph-Humber email address and/or University provided office/Department phone number (if applicable). Employees will not be required to provide personal email address(es) or personal phone number(s) to students in the carrying out of their responsibilities assigned as part of a work assignment.

10.06

- (a) With the approval of the employee's supervisor, an employee may arrange to exchange their duties, or for their substitution, with or by a qualified and capable employee. Such approval by the employee's supervisor shall not be unreasonably denied.
- (b) Where unexpected but authorized excess work is carried out (i.e., greater than the teaching/service assistant appointment for that semester), in excess of the full teaching/service assistant appointment or pro-rata appointment, as the case may be, the work shall be paid at the applicable Schedule B rate.
- (c) The University agrees that, subject to 11.07 and Article 9, no employee who has accepted a work assignment will have their number of hours reduced during that contract period.

The decision to appoint an employee for more than one (1) semester at a time shall be at the sole discretion of the University).  - (3) when a work assignment becomes available after the first day of classes as a result of illness or resignation;
 - (4) when a work assignment is offered to an employee who then declines to accept it;

- (5) subject to the Right of First Refusal provisions in Appendix F of the Unit 2 Collective Agreement, when a work assignment is offered to a University of Guelph PhD student as part of their program requirements. It is recognized that this provision may only be applied once to a particular PhD student.
- (c) The University shall offer the work assignment to employee applicants with active applications as per the regular assignment procedure. In instances where there are no applicants, no suitable applicants, or when time and/or operational needs require that the regular assignment procedure be suspended, the University shall assign the work to a qualified person as per 11.04 in the following order:
1. Current CUPE 3913 employees who applied for that specific semester and course;
 2. Individuals who have current applications on file with the academic unit (generally within the past four (4) semesters);
 3. A person deemed suitable by the academic unit.

The University shall inform the Union within ten (10) days following such assignment.

11.03 Applicant Profile and Online Application Process

- (a) All applicants for work assignments, including applicants within their job security period (JSP), must apply directly via the job posting website providing an application and curriculum vitae for each of the work assignments for which they seek employment. The home Department (or in one of their Departments for some interdisciplinary programs) of all incoming graduate students with a job security period must inform the students of their need to apply.

It is the responsibility of the employee to demonstrate evidence of qualifications, current level of consideration and accrued seniority points, at the time of application. The online process shall provide applicants with a clear and simple format by which to be able to determine their relevant 'level of consideration' and 'seniority points').

(b) In order to facilitate a consistent application process, the online application system provides applicants with an opportunity to complete both a general profile and a specific application for each work assignment to which the applicant applies, including the following information:

(1) name and address;

(2) contact information, including home phone and email;

(3) the applicant's total number of seniority points;

(4) prior relevant experience and qualifications;

(5) other experience or qualifications;

(6) an attached résumé;

(7) the choice of individual/specific assignments and the option to rank those assignments by preference; and

An applicant's submission of an application also signifies agreement that the University may use the information submitted for the sole purpose of assessing suitability for employment (including by contacting any references identified).
- (f) Online applications shall also contain a statement that these work assignments are unionized with CUPE Local 3913 and their terms and conditions of work are covered by the Collective Agreement between the University and CUPE Local 3913.

11.04 Selection Process

- (a) The University will ensure a process consistent with the provisions of the Collective Agreement for the selection of candidates for available work assignments. A copy of the written process will be provided to the Union.
- (b) Appointments to Teaching Assistant Work Assignments

The Union agrees that the University shall make the determination as to the number and selection of students to Teaching Assistant work assignments based upon criteria set by the University. Criteria for selection of students for GTA work assignments shall be in accordance with the provisions of the Collective Agreement.

- (c) In all cases of job competition, the University's selection criteria shall only include: qualifications (academic and professional), competence, capability, skill and ability, prior relevant experience, and availability for the time and location of the course. In cases where applicants are demonstrably equal in the opinion of the University, the senior applicant shall be awarded the work assignment.
- (d) Levels of consideration for work assignments will be as follows:
- (1) candidates who are applying for positions within their home Department (or in one of their Departments for some interdisciplinary programs) and are still within their Job Security Period (as defined in 1.04(n)) will be considered first; and then,
 - (2) candidates who have completed their Job Security Period and who are still within their prescribed program will be considered next. Prescribed program can be defined as the number of semesters that the University has deemed standard for the program of study; and then,
 - (3) candidates who have exceeded the prescribed program period for their program of study will be considered; and then,
 - (4) candidates at any level applying for work in their home Department (or in one of their Departments for some interdisciplinary programs) who have already been assigned to a work assignment(s) in their home Department totalling 140 hours per semester. Once a candidate has been assigned a 1.0 work assignment under this level of consideration that candidate will have to wait to be considered for additional work assignments until other applicants in this level of consideration have also been assigned to a 1.0 work assignment. 11.04(d)(4)

only applies where a candidate is applying for work assignment(s) in their home Department (or in one of their Departments for some interdisciplinary programs).

- (5) candidates applying to additional work assignment(s) outside their home Department (or in one of their Departments for some interdisciplinary programs) will be considered for work assignments(s) in those Department(s) as per levels (2) and (3) of consideration above.

(e)

- (1) A Selection Committee must be established for all job competitions that are equal or greater than 0.5. The Selection Committee, when established, must be composed of, at minimum, two people. - (2) At least one member of the Committee shall be a designated group member (i.e., member of an equity-seeking group, which may include women, racialized people, members of the lesbian, gay, bisexual, transgender, or queer communities, Indigenous people, or persons with disabilities).
- (3) The Chair of the Selection Committee must ensure that all members of the Committee have completed anti-bias training at least once during each three-year cycle.

(4) The selection committee must establish a rubric for evaluating applicants' qualifications in advance of reviewing applications

(f) Following completion of the hiring process, the Department shall make available electronically in the Department a summary of all semester work assignments indicating the course and employee(s) assigned to the course. The summary shall be made available no later than immediately following the second pay of the semester.

11.05 Work Assignments covered under the Job Security Period

- (a) The University agrees to fulfill the terms and conditions of the Job Security Period as defined in 1.04(n). Once per cohort year, the Union shall be provided with the names of all members with a Job Security Period in that year, the Department issuing the Job Security guarantee, and the number and level of appointments included in that guarantee, and the Department in which the work will occur.
- (b) While all work assignments will be posted, the Union agrees that the University determines and allocates those work assignments which form part of the Job Security Period (per 1.04(n)), as indicated in the University's Offer of Admission, which shall not be exercised in an arbitrary or discriminatory manner.
- (c) Considerations for the allocation of work assignments which form part of the Job Security Period are:
- (1) qualifications, competence, capability, skill and ability, and prior relevant experience;
 - (2) coverage of all required work assignments;

- (3) meeting Job Security commitments;
 - (4) class schedule and availability; and
 - (5) stated preference.
- (d) Following considerations as per 11.05(c), and where the candidates are demonstrably equal in the opinion of the University, the more senior candidate will be awarded the work assignment.
- (e) The University shall ensure that all incoming graduate students are provided with specific information from the Office of Graduate and Postdoctoral Services in their Offer of Admission letter which clearly specifies (when applicable) the guaranteed work assignment income and non-employment income that will be available to the student during the course of their period of Graduate studies. The commitment to guaranteed work assignment income as indicated in this correspondence will define the Job Security Period for Unit 1 employment purposes. The guaranteed work assignment and non-employment income specified in the Offer of Admission letter can only be adjusted in accordance with (h) and any provisions specified in the Offer of Admission letter that permit external scholarship income to be substituted for non-employment income.
- (f) The Union and the University recognize that it is the responsibility of students to apply for positions for the semester(s) or year(s) stated on their Offer of Admission letter per Article 11.03(a) in order to be considered for a position(s). The University will inform incoming and current graduate students each semester that they must apply for work assignments electronically on the job posting website by the deadline (to be determined by each Department) in order to be offered position(s) stated in their Offer of Admission. The notice will be separate from the Offer of Admission and shall be communicated

via email. The communication will also inform students that they will forego that part of their guaranteed work assignment income if they do not apply or if they decline an offer.

- (g) Should a student apply for a position guaranteed under a Job Security Period (JSP) and not receive an offer for a position in the timeline specified in the Offer of Admission Letter, the University will provide the student with funding equivalent to the guaranteed work assignment income that would have been paid for that position.
- (h) For in-program students whose Offer of Admission contains funding in the form of guaranteed work assignment income, with the agreement of the student the University may revise the allocation of funding sources annually to substitute guaranteed work assignment income with other non-employment forms of funding or to shift the source and timing of income for guaranteed work assignments. There shall be no decrease in annual funding allocated to students as a result of adjustments made under this provision.
